

further rental assistance payments under that agreement may be made if:

- (i) The program participant moves out of the housing unit for which the program participant has a lease;
- (ii) The lease terminates and is not renewed; or
- (iii) The program participant becomes ineligible to receive ESG rental assistance.

(i) *Project-based rental assistance.* If the recipient or subrecipient identifies a permanent housing unit that meets ESG requirements and becomes available before a program participant is identified to lease the unit, the recipient or subrecipient may enter into a rental assistance agreement with the owner to reserve the unit and subsidize its rent in accordance with the following requirements:

(1) The rental assistance agreement may cover one or more permanent housing units in the same building. Each unit covered by the rental assistance agreement (“assisted unit”) may only be occupied by program participants, except as provided under paragraph (i)(4) of this section.

(2) The recipient or subrecipient may pay up to 100 percent of the first month’s rent, provided that a program participant signs a lease and moves into the unit before the end of the month for which the first month’s rent is paid. The rent paid before a program participant moves into the unit must not exceed the rent to be charged under the program participant’s lease and must be included when determining that program participant’s total rental assistance.

(3) The recipient or subrecipient may make monthly rental assistance payments only for each whole or partial month an assisted unit is leased to a program participant. When a program participant moves out of an assisted unit, the recipient or subrecipient may pay the next month’s rent, *i.e.*, the first month’s rent for a new program participant, as provided in paragraph (i)(2) of this section.

(4) The program participant’s lease must not condition the term of occupancy to the provision of rental assistance payments. If the program participant is determined ineligible or reaches the maximum number of

months over which rental assistance can be provided, the recipient or subrecipient must suspend or terminate the rental assistance payments for the unit. If the payments are suspended, the individual or family may remain in the assisted unit as permitted under the lease, and the recipient or subrecipient may resume payments if the individual or family again becomes eligible and needs further rental assistance. If the payments are terminated, the rental assistance may be transferred to another available unit in the same building, provided that the other unit meets all ESG requirements.

(5) The rental assistance agreement must have an initial term of one year. When a new program participant moves into an assisted unit, the term of the rental assistance agreement may be extended to cover the initial term of the program participant’s lease. If the program participant’s lease is renewed, the rental assistance agreement may be renewed or extended, as needed, up to the maximum number of months for which the program participant remains eligible. However, under no circumstances may the recipient or subrecipient commit ESG funds to be expended beyond the expenditure deadline in § 576.203 or commit funds for a future ESG grant before the grant is awarded.

(j) *Changes in household composition.* The limits on the assistance under this section apply to the total assistance an individual receives, either as an individual or as part of a family.

**§ 576.107 HMIS component.**

(ii) Backing up, recovering, or repairing HMIS software or data;

(3) If the subrecipient is a victim services provider or a legal services provider, it may use ESG funds to establish and operate a comparable database that collects client-level data over time (*i.e.*, longitudinal data) and generates unduplicated aggregate reports based on the data. Information entered

into a comparable database must not be entered directly into or provided to an HMIS.

(b) *General restrictions.* Activities funded under this section must comply with HUD's standards on participation, data collection, and reporting under a local HMIS.

#### § 576.108 Administrative activities.

(a) *Eligible costs.* The recipient may use up to 7.5 percent of its ESG grant for the payment of administrative costs related to the planning and execution of ESG activities. This does not include staff and overhead costs directly related to carrying out activities eligible under § 576.101 through § 576.107, because those costs are eligible as part of those activities. Eligible administrative costs include:

(1) *General management, oversight and coordination.* Costs of overall program management, coordination, monitoring, and evaluation. These costs include, but are not limited to, necessary expenditures for the following:

(i) Salaries, wages, and related costs of the recipient's staff, the staff of subrecipients, or other staff engaged in program administration. In charging costs to this category, the recipient may either include the entire salary, wages, and related costs allocable to the program of each person whose *primary* responsibilities with regard to the program involve program administration assignments, or the pro rata share of the salary, wages, and related costs of each person whose job includes *any* program administration assignments. The recipient may use only one of these methods for each fiscal year grant. Program administration assignments include the following:

(A) Preparing program budgets and schedules, and amendments to those budgets and schedules;

(B) Developing systems for assuring compliance with program requirements;

(C) Developing interagency agreements and agreements with subrecipients and contractors to carry out program activities;

(D) Monitoring program activities for progress and compliance with program requirements;
